Games Available on Tiranga Platform

Tiranga Game offers a variety of games designed for different playing styles. Some games rely on prediction, while others are based on chance.

1. Color Prediction Game

The most popular game on Tiranga. Players predict whether the color outcome will be Red, Green, or Violet. Bets can be placed on one or more colors, and if your prediction is correct, you win based on a fixed payout system.

- Red or Green payout: 2x
- Violet payout: 4.5x (only if bet on both Red and Green)

Each game round is 3 minutes long, providing multiple opportunities to play and earn.

2. Aviator Game

This game tests your timing. A plane takes off, and your task is to cash out before it flies away. The longer you wait, the higher your multiplier, but risk increases. Timing is critical.

3. Dice Game

Predict the outcome of a dice roll. This game is straightforward and offers fast results, making it ideal for casual players.

4. Lottery Game

Buy low-cost tickets and participate in daily or weekly lottery draws. The prizes range from small cash wins to high-reward jackpots. It is a low-risk, high-reward game for players who enjoy suspense.

5. Spin Wheel

Try your luck by spinning a virtual wheel. This game offers bonus rewards and occasional cash prizes, perfect for testing your luck.

Deposit and Withdrawal Process

Tiranga Game supports instant UPI payments for both deposits and withdrawals.

- **Minimum Deposit:** ₹100
- **Minimum Withdrawal:** ₹100
- **Payment Methods:** Google Pay, PhonePe, Paytm, BHIM UPI
- **Processing Time:** Usually within minutes

There are no hidden charges or delays. Players have reported smooth and fast transaction experiences.

Referral and Earnings Program

Tiranga Game offers an attractive referral system. You can earn money without playing, simply by inviting others.

How it works:

- Share your referral link with friends and family.
- When someone registers through your link and plays, you earn a commission.
- The more people join using your link, the higher your daily earnings.

Top earners in the referral program make ₹500 to ₹5000 per day. This is a great way to build passive income through your network.

Tips to Improve Your Chances of Winning

1. Use the ₹28 bonus to understand how each game works before investing.
2. Start with smaller bets and increase gradually as you observe game patterns.

3. Avoid playing all day. Set daily limits and follow a strategy.
4. Play during off-peak times for better prediction opportunities.
5. Focus on referral earnings if you are not a risk-taker.

Why Choose Tiranga Game

- No need to install any app, saving mobile storage and battery
